We're Starting A Membership Committee

We are looking for volunteers to join our new Membership Committee. Committee members will brainstorm ideas and/or methods of identifying potential members and opportunities for the Credit Union to reach prospective members.

If you would like more information or would like further details, please contact Mary King at mking@augustahealth.com or (540) 932-4590.

Meet Maria Fitzwater

Please welcome Maria Fitzwater to the Augusta Health Care Credit Union team. She is our new full time Member Services Representative.

Maria joined us at the end of January and if you have not already met her, please stop by the Credit Union to welcome her to the team. We are happy to have her and can't wait for you to meet her!

18 and Over?

Go green, save green by making little changes!

Did you know that going green can save you money? In April, Augusta Health Care Credit Union is celebrating Youth Month, which is a program that helps teach and encourage kids to develop good financial habits. The theme this year is "The Science of Saving," which also happens to closely coincide with Earth Day on Sunday, April 22, 2018. We are encouraging each of our members under the age of 18 to submit an idea as to how they can go green while saving green. It can be as simple as taking a shorter shower or using more blankets instead of asking Dad or Mom to turn up the heat on a cold night.

Every member under the age of 18 who makes a deposit to their account from March 24 to April 24, 2018 and submits their idea for "going green while saving green" will receive a **free gift** and be **entered into a drawing to win a \$25 CASH PRIZE**. Entries can be submitted to a Credit Union employee without the minor being present. Does your child not yet have an account? We are more than happy to setup an account for your child or grandchild in order for them to participate and for custodial accounts the minor does not need to be present to open their account. **The winner will be announced at our Annual Meeting on April 25, 2018.** Contact us if you have any questions or need more information.

Not a minor, but still want some ideas how to go green and save money? Try a few of these:

- Wash your clothes in cold water—saves money on your electric bill and makes clothes last longer
- Quit buying bottled water—get a faucet water filter and reusable water bottle
- Use online banking and e-documents—not only is it eco-friendly, but faster and safer
- Install outdoor solar lights—you can even get a solar-powered motion detecting light for security
- Rotate your car tires and keep them filled—keeping the right PSI & rotating regularly saves fuel
